

Getting Started with Quality Matters

Learn more about QM:

- Read more about the history and mission of QM on our About page
- Read about the work of the QM community in our annual <u>Community in Review</u> report
- Watch the <u>QM Overview</u> video or enroll in the <u>Introduction to QM</u> workshop
- Enroll in the free, self-paced Elements of QM overview
- Get your questions answered by browsing the FAQ page
- Order <u>QM Rubric Workbooks</u> for hard copies of the full QM Rubric, complete with Annotations
- Read/Share the <u>QM Overview booklet</u>

Connect with the QM Community:

- Sign up for <u>QM Newsletters</u> see "Sign Up for QM Communications" on the right)
- Engage with free, member-only <u>QM Success Stories</u>: learn from your colleagues around the country on topics from design to teaching to quality assurance implementation
- Follow QM on Twitter, Facebook and LinkedIn and subscribe to QM's YouTube Channel
- Connect with past conference presentations, articles, & webinars on our <u>Resources</u> page
- Join us at a virtual or on-site conference: <u>QM Events</u>
- Instructional designers at QM institutions are invited to join the free <u>QM Instructional Designers</u> <u>Association</u> (QM IDA) and subscribe to the <u>IDA Listserv</u>

Explore Professional Development:

- Use QM's free Bridge to Quality Design Guide to help design quality online courses
- Find <u>Professional Development</u> that meets your needs on range of topics, from design to accessibility to welcoming your online learners
- Enroll in the <u>Teaching Online Certificate</u>: A 7-workshop series focused on course delivery
- Gather a cohort of peers for <u>QM Live virtual workshops</u>, where you can learn & collaborate together in real-time
- Explore workshops related to <u>QM Roles</u>, such as Peer Reviewer or Facilitator

For QM Coordinators:

- Complete the free <u>QMC Training (QMCT)</u> & review how to <u>maximize the QMC role</u>
- Read the <u>Getting Started with QM</u> page
- Sign up for the <u>QMC Newsletter</u> (see "Sign Up for QM Communications" on the right)
- Join the <u>QMC Subgroup</u> on LinkedIn
- Learn more about <u>QM Professional Development</u> pathways
- Download & review the <u>QM Overview and slide notes</u> to introduce QM to your campus.
